ANNUAL REPORT

of the

OFFICERS

of the

TOWN of CONWAY

For the Fiscal Year Ending January 31,

1922

REPORTER PRESS
NORTH CONWAY, N. H.
1922

TOWN WARRANT

You are hereby notified to meet at the Town Hall, in said town on Tuesday, the fourteenth day of March next, at nine o'clock in the forenoon, to act on the following subjects:

1. To choose all necessary town officers.

2 To see what sum of money the town will vote to raise and appropriate for the following purposes:

Section A Town officers' salaries.

B Town officers' expenses.

C Election and registration expenses.

D Town Hall and office expenses.

E Police department.

F Fire department

G Health department.

H Vital statistics.

I Town proportion, trunk line maintenance.

J Town maintenance, general highways, permanent improvement by law, lighting, water and general expense.

K Breaking roads and snowing bridges.

L Libraries in addition to amount required by law.

M Town poor.

N Memorial Day.

O Damages and legal expense.

P Interest.

Q Soldiers' bonus.

R Repairs, tarvia roads, Conway and North Conway.

S State taxes.

T County taxes.

3 To see what action the town will take in regard to discounting taxes.

4 To see if the town will vote to authorize the Select-

men to hire upon the credit of the town the sum of ($15,000.00) fifteen thousand dollars, if needed.

5 To see if the town will vote to raise and appropriate a sufficient sum of money to obtain State aid for the permanent improvement of its highways as provided by law.

6 To see if the town will vote to raise and appropriate ($700.00) seven hundred dollars, to paint the town buildings.

7 To see if the town will vote to raise and appropriate ($2000.00) two thousand dollars, to repair Saco river bridge at Conway, and others if needed.

8 To see if the town will vote to raise and appropriate (500.00) five hundred dollars, to tarvia Main street at Conway Center, N. H.

9 To see if the town will vote to raise and appropriate ($1000.00) one thousand dollars, to reconstruct and repair part of the highway leading from Conway Center, N. H., to the Brownfield line, (beginning at a point near the Carlton meadow (so called) then easterly by the Homestead of T. P. Ivy and F. H. Parsons to the Brownfield line, agreeable to a petition signed by F. H. Parsons and others.

10 To see if the town will vote to raise and expend ($225.00) two hundred and twenty five dollars, to lay about (300') of drain pipe on Seavey street at North Conway, N. H. agreeable to a petition signed by James O. Riley and others.

11 To see if the town will vote to reconsider the vote whereby the town voted to establish voting precincts in North Conway, Conway and East Conway.

12 To act upon any other business that may legally come before said meeting,

ARTHUR R. SHIRLEY,
JOHN E. POTTER,
FRANK P. ALLARD,
Selectmen of Conway, N. H.

Conway, N. H., February 9, 1922.

We have this day examined the accounts of the Treasurer of the Trustees of the Conway Public Library, and find them correct, with proper vouchers on file for each and every item paid out, and find the sum of $22.97 due the Treasurer.

H. BOARDMAN FIFIELD,
E. E. THOITS,
Auditors.

CONWAY PUBLIC LIBRARY

To the Board of Trustees:

I have the honor of submitting my seventh annual report for your approval. The summary of the year's work reveals a slight but perceptible advance in all departments, there having been the largest circulation in ten years, an increase of 40 per cent. in reading room attendance, more active borrowers, and a much larger use of reference material with a greater percentage of non-fiction read. I regret that I cannot add a larger number of books received, but our book fund is so small that few new books can be purchased. Many of those now on the shelves are too badly worn for circulation and should be rebound or replaced.

A beginning has been made on the revision of the catalog, the shelf list for children's books being already completed and some work done on the adult collection, we hope in time to have a full dictionary catalog.

Following are the statistics for the year:

FINANCIAL STATEMENT

RECEIPTS

Cash on hand January 1, 1921	$ 1 15
Fines	53 13
Bequests	1 12
Total receipts	$55 40

EXPENDITURES

Periodicals	$ 32 25
Supplies	15 78
For incidentals	2 40
	$ 50 43
Balance on hand December 31, 1921	4 97

RESOURCES

Number of volumes at beginning of year	4,710
Number of volumes added by purchase	79
Number of volumes added by gift	15
Public documents	6
Total	4,810
Deduct volumes lost or discarded	62
Total volumes at end of year	4,748
Number magazines and papers currently received	24

SERVICES

	Adult	Juvenile	Total
Number of volumes non-fiction lent	686	338	1024

Number of volumes fiction lent	4583	2531	7114
Number of unbound periodicals lent	345	162	507
Total circulation	5614	3031	8645
Number new borrowers added			169
Number active borrowers			509
Reading room attendance			3,062

Respectfully,

ALICE S. POLLARD,
Librarian.

To the Trustees of Free Public Library at Centre Conway:

I herewith submit the following report for the year ending December 31st, 1921:

At the beginning of the year the number of books recorded on the accession book was	2,561
Number of books purchased from library appropriation	38
Purchased from fines	7
Gifts during the year	54
Total number recorded January 1, 1922	2,660

For the gift of books we are indebted to: Gen. A. W. Greely and family, Mrs. Comstock, Mrs. Glackens, Miss Mary Chapman, Miss Harriet Thoms and Mrs. Blouin, and to them, we, in behalf of the patrons who have enjoyed the books so much, extend our sincere thanks.

Gen. Greely loaned us for the winter several books for reference, among them being two Handbooks on Alaska from his own pen. The gifts from Miss Thoms were valuable books on European Art, and Universal

History and Pioneers in Settlement of America.

The magazine department continues very popular, and we have the usual supply.

The circulation has been: Fiction, 1,451; Juvenile, 596; Miscellaneous, 183. Total, 2,230.

Fine collections have been used, as usual, for magazines and the purchase of new books.

Respectfully submitted,

ABBIE M. D. BLOUIN,
Librarian.

SCHOOL WARRANT

1 To choose a Moderator for the ensuing year.

2 To choose a Clerk for the ensuing year.

3 To choose a Treasurer for the ensuing year.

4 To choose a member of the School Board for the ensuing three years.

5 To choose two Auditors for the ensuing year.

6 To see what sum of money the District will vote to raise and appropriate for the support of the elementary schools for the fiscal year beginning July 1, 1922.

7 To see what sum of money the District will vote to raise and appropriate for the support of the high schools for the fiscal year beginning July 1, 1922. $10100 —

8 To see what sum of money the District will vote to raise and appropriate for insurance for the ensuing year. $300 —

9 To see what sum of money the District will vote to raise and appropriate for district officers for the ensuing year. 525 =

10 To see what sum of money the District will vote to raise and appropriate for repairs on school buildings. $25 —

11 To see what sum of money the District will vote to raise and appropriate for tuition at Fryeburg Academy for the fiscal year ending June 30, 1922. $160 —

12 To see if the District will vote to pay the tuition of of pupils from Center Conway and East Conway attending High Schools or Academies other than Fryeburg for the school year 1921-1922, and to see what sum of money the District will vote to raise and appropriate for tuition. Pass

13 To see if the District will vote to authorize the School Board, in the name of the District, to contract with Fryeburg Academy for instruction of pupils from Redstone, Center Conway and East Conway, and to see what sum of money the District will vote to raise and appropriate for tuition. $1500 —

14 To see if the District will vote to pay the tuition of high school pupils from Redstone, Center Conway and East Conway attending High Schools or Academies other than Fryeburg, and to see what sum of money the District will vote to raise and appropriate for tuition. Pass over.

15 To act upon any other business that may legally come before this meeting.

REPORT OF SCHOOL BOARD

SCHOOL DISTRICT OFFICERS

	Term Expires
Arthur H. Furber, Chairman	1922
Leander C. Prescott	1923
Jesse M. Hatch, Secretary	1924

William R. Carter, Treasurer
Neil C. Cates, Clerk
H. Boardman Fifield, Moderator
Llewellyn M. Felch, Superintendent of Schools and Financial Secretary

Regular meeting of the School Board first Saturday of each month at the Town Office at 10 A. M.

To the Citizens of the Conway School District:

We submit our report which includes the report of the Superintendent of Schools, the reports of the

Headmasters of the two High Schools, and the financial statement for the fiscal year ending June 30, 1921.

The educational laws of New Hampshire, as established by the last two legislatures, make many changes in school administration. The provisions of the new law have not become familiar to all the voters, and in some cases are not understood; suffice it to say that the administration of the schools in the School District of Conway is in strict conformity with the laws of the State.

Our schools are well organized, have competent teachers, and are doing good work. A comparison of the work done ten years ago with what is being accomplished now, shows a marked advance during the decade. We desire to see further improvement, and call upon the parents and citizens to help the teachers to raise the standards, and elevate educational ideals. It is only by co-operation of the home and community with the school that the best results may be obtained.

A gratifying development in desire for education is shown by the increased membership in our high schools. When they were first established the membership was small; now the Conway High School numbers forty-six and the North Conway High School forty-seven, while nineteen are attending Fryeburg Academy. Next year careful estimates indicate sixty or more in each high school. Greater accommodations must be provided. It seems necessary that we have in each building a third teacher and an additional room.

Repairs on the North Conway school house, as outlined by the school board at the last District meeting, were made during the summer vacation. The room

occupied by the third and fourth grades was enlarged so that it is now adequate to the needs of these grades. In the fifth and sixth grade room the seats and windows were altered to conform to the regulations for approved school buildings. The walls and ceilings throughout the building were refinished and tinted, and the desks refinished. At Conway the desks were refinished, the basements whitewashed and a new metal roof put on the small building. At Center Conway the building was painted on the outside.

In accordance with the law we submit the following as the amount of money needed for the support of schools and for statutory requirements for the fiscal year beginning July 1, 1922.

	Elementary Schools	High Schools
I. Budget (School Money)		
(a) For support of schools	$20,775 00	$9,500 00
(b) For purchase of textbooks and scholars' supplies	1,200 00	600 00
(c) For purchase of flags and appurtenances	50 00	
(d) For payment of tuitions at Fryeburg academy		1,500 00
(e) Estimate of amount of a $5 tax on the 1922 inventory	17,067 76	..
II. Requirements to Meet Budget:		
(a) For the support of elementary schools		22,025 00
(b) For the payment of Academy tuitions and support of the High Schools		11,600 00

III. School Board Report of Assessment Required:

(1) For the support of the Elementary Schools, $5 on each $1,000 of the equalized valuation

(2) For the payment of the per capita tax (Statutory) 1,030 00

(3) For the support of the High Schools 11,600 00

To the School Board and Citizens of Conway:

I have the honor and pleasure of submitting my fourth annual report of the work of your schools for the past year.

The number of pupils in all the schools is shown by the following table:

CONWAY

Grades 1 and 2, Naomi Weeks	42
Grades 3 and 4, Mrs. Florence Fogg	37
Grade 5, Florence Heminway	33
Grades 6 and 7, Elva Turner	26
Grade 8, Mrs. Bertha S. Audrey	26
High School, Ray Huntington, Headmaster L. W. Wilde, Assistant	46

NORTH CONWAY

Grades 1 and 2, Katherine Wiggin	37
Grades 3 and 4, Caroline Cutts	37
Grades 5 and 6, Doris Pugsley	36
Grades 7 and 8, Cora I. Smith	30
High School, Leon M. Orcutt, Headmaster Helen E. Nute, Assistant	47

OTHER SECTIONS OF THE TOWN

Conway Center, Grammar, Myron Smith	19

Conway Center, Primary, Ella Keene	20
Kearsarge, Mrs. Inez J. Hill	25
Redstone, Mrs. Hazel Merrill	12
East Conway, Harriet Woodward	10
South Conway, James E. Davis	11
West Side, Mrs. Louise P. Sampson	24
Total in town	518

The high school teachers are all college graduates, and all of the grade and rural teachers but three are graduates of normal schools, and all are approved by the State Board of Education, and have certificates, license, or permit, as is required by law. So far as possible the teachers of last year were retained, as it is not good policy to change teachers frequently.

REPAIRS

The room at North Conway used by the third and fourth grades has been enlarged and other repairs have been made in the way of painting the interior and changing two windows. These changes have made a marked improvement in this schoolhouse. A septic tank was built at Conway, as the Board of Health required it to be done. The house at Conway Center has been painted. Other minor repairs have been done in the way of painting, and refinishing seats, etc.

It seems probable that the high schools are outgrowing their quarters, and if as many complete the work of the eighth grade as is expected, there will be at least 60 pupils in each of the high schools next year. The rooms are too crowded now, and we must face the

problem of more room. Sixty pupils are too many for two teachers to properly handle and instruct. There should be another teacher in each high school.

I have asked each Headmaster to give a brief report of the condition, work, and needs of his school, and they are printed as a part of this report.

Educational tests and measurements have been given in the grades above the fourth, and through them much information is obtained which will be helpful in regulating the work of the superintendent, teacher and pupil.

VOCATIONAL TRAINING

We should seriously consider the introducing of vocational training into our schools. Other towns have taken up this work with excellent results. Conway is not overburdened with taxes because of its schools. The total cost of all the schools, including tuitions, to the town was two-thirds of one per cent., or if your valuation was $5,000.00, it cost you, Mr. Taxpayer, $33.33 as your part towards running the schools. Conway paid out $56.68 per pupil last year. A neighboring town paid over $86.00 to run her schools, and does not have to pay a cent for high schools or tuition. Vocational education seeks to discover some talent in each human being, and fit that being for increased usefulness to society. The matter of expense should not be allowed to take too prominent a place in our minds when we are making plans for the training of our pupils. Think it over and see if we cannot afford to do as much for our children as is done in other towns of our class.

MEDICAL INSPECTION

The pupils were inspected last spring term, but this important work has been omitted so far this year, as a suitable nurse was not available. There is the prospect now of obtaining suitable inspecting officials, and the work will be undertaken soon.

ATTENDANCE

Truancy has not been as prevalent as in former years, and our schools now have a record that we need not be ashamed of.

PARENT TEACHERS' ASSOCIATION

A Parent Teachers' Association has been reorganized at North Conway, and is becoming a real factor in uniting the efforts of parents, teachers and school officers. If similar associations can be organized in other parts of the town they would be very helpful in uniting the efforts of those who are seeking to build up a better school system.

I wish to thank you all for your cordial sympathy, advice, and help in the work of the schools.

Yours respectfully,

L. M. FELCH.

REPORT OF HEADMASTER OF CONWAY HIGH SCHOOL

To the Superintendent of Schools:

There were 10 pupils graduated from the Conway High School last June. Winston Prescott entered Dartmouth College, and Philip Davis entered New Hampshire State College on certificate from the school. They are both making good in their college work, and

this speaks well for the work of the High School. Several of the girls entered Normal Schools, and they also are doing good work.

Last fall the school opened with 44 pupils enrolled. The freshman class has been doing work that reflects credit on the school from which they graduated. At the end of the fall term four new pupils entered school, and three dropped out, two to enter school in the towns to which they moved, and one left because of sickness. In most schools one fourth of the freshmen class drops out because of lack of preparation, and this speaks well of the work of our graded schools. Ten of the pupils in school come to us from other towns, and pay tuition.

The attendance of the fall term was well above the state average, and there were twelve pupils who had a perfect attendance.

We are following the program of studies of the State of New Hampshire and the requirements will be met. Most of the pupils study from one to two hours a day at home. The efforts the pupils are making are shown in their work. The average rank for the classes for the fall term is as follows: Freshmen, 85 per cent; Sophomores, 83.1 per cent.; Juniors, 84.6 per cent.; Seniors, 84.8 per cent.

Next year there will be from 55 to 60 pupils in the school, and much better work could be done if another teacher could be provided.

I wish to thank the townspeople for their co-operation, and especially Supt. Felch, Mr. L. C. Prescott, and Mr. Wilde, who have done much to make this year a success.

Respectfully,
RAY HUNTINGTON.

REPORT OF THE HEADMASTER OF THE NORTH CONWAY HIGH SCHOOL

Mr. L. M. Felch,
Superintendent of Schools,
Dear Sir:

I have the honor of submitting to you my second annual report of progress in the North Conway High School.

REGISTRATION AND ATTENDANCE

The school opened this year with a total enrollment of 47, in comparison with 37 of last year. Since that time two have left school and one has entered, thus making the present enrollment 46. All the students of last year returned with the exception of one, who transferred to Fryeburg Academy, in order to take a commercial course.

The percentage of attendance for the year 1919-1920 was 89. For the year 1920-21 it was 97.3. The state average for both years was 93. For the year 1921-22 to date, it is 97.5. It may be seen by these figures that the attendance is improving.

EQUIPMENT

A gradual renovation of text books has been made so that each student may now carry on his work efficiently with up-to-date books. The laboratory is very well equipped with chemicals and apparatus. The school is accumulating a fund to be expended for the school library which is sadly in need of such books as are necessary for the required supplementary reading.

ATTITUDE OF STUDENTS

The students of the high school have shown an excellent disposition toward their work as well as toward all high school functions. This speaks well not only for the students, but also for the parents.

PHYSICAL TRAINING

A combination of military and physical training has been given the boys two periods each week. I am teaching them the school of the soldier and the squad as well as calisthenics. This is having the desired effect of correcting their posture as well as proving to be a valuable asset toward their general physical development.

ATHLETICS

The old athletic association, which was revised under a new constitution last year, has proved to be an asset. Not only has it been the means of promoting interest in athletics; it has been the immediate cause of arousing in the students a school spirit which has in the past been sadly lacking. More than this, through the rules governing eligibility, the scholarship has been much improved.

In baseball, in spite of the fact that the team was composed mostly of inexperienced material, the boys won 10 out of 15 games played and we are looking forward to even better success this coming season.

In basketball, the school has supported a team which, although starting its season by losing the first two games, has developed marvelously, and will, I feel sure, finish the season well and honorably.

During the fall term there was a track meet in which

the classes competed for a silver cup; and this was won by the Freshmen. There will be a competition for the cup every year for a period of five years. At the end of that time it will be awarded to that class who has won it the greatest number of times. We are planning on participating in a triangular meet in the spring. We also plan to send a team to Durham to compete in the interscholastic meet.

OTHER ACTIVITIES

Perhaps the most radical innovation is "The White Mountain Breeze," the first number of which appeared last June. It was not thought advisable to get out more than one issue the first year. This year, however, it was decided to get out two issues. The New Year's number has already appeared and the editorial staff are now accumulating material for the Commencement number.

Outside of the regular routine of school work the Latin students have maintained the Crux Criticorum club which meets once a month and which has presented some very fine student programs.

NEEDS OF THE SCHOOL

The greatest need of the high school at the present time is an ADDITIONAL TEACHER. Two teachers, conducting daily eight periods each, cannot possibly do justice to the courses of study and at the same time have complete supervision of the social activities of the school. The state average for the number of students to each teacher is 16. We have 23. Present conditions indicate that next year there will be an enrollment of more than 60. It may be seen that, with

an additional teacher, the average number of students per teacher will then be above 20, which is four more than the state average.

At the present time we are seriously handicapped by the need of more room. The desks are much too close, as it is, and the Seniors are obliged to sit in the recitation room because all the seats are taken in the main room. With the large entering class this coming year there will not be seats enough to accommodate them all in both rooms. If more seats are put in it will be an injustice to the students, for the only means of ventilation is by opening and closing the windows.

In closing, I wish to extend my appreciation to you, to the School Board and to citizens of the town who have shown a decided spirit of co-operation in all my work.

Respectfully submitted,

LEON M. ORCUTT,
Headmaster, N. C. H. S.

STATEMENT OF RECEIPTS AND EXPENDITURES FOR THE YEAR 1920-21

Elementary from the State,	$5,503 99	
From the town, $5.00 tax on $1,000	14,473 00
